Good morning,

There is an update ACCORD certificate in TRACK4LA (CA#76120) but the date is still the same as previous version (CA# 73834) which shows the current expiration date as 1/15/16. We are still waiting for an update that shows the period of 1/15/2014 to 1/15/2015 for D&O.

Thanks.
